Subject Anti-British and Anti-American campaign by Japanese sponsored organizations.

Made by C.D.I. Kub Pao Hwa Forwarded by D.I. Crawford

In connection with the attached report, it has been found that instructions for an anti-British campaign were also issued to other Japanese sponsored organizations including the Chinese Labourers' Welfare Association, who have now, it is learned,

been instructed by the Japanese Military Authorities to cancel the orders received, ~~and to instruct the Chinese Labourers' Welfare Association to cancel the orders received.~~

~~by the order of July 7.~~ LING TSE CHUN (Formosan), Secretary of the Chinese Labourers' Welfare

Association, with offices at 20 Canton Road, has now been given instructions for a new movement in propaganda against the local American Defence Force and has enlisted the support of a few other Japanese sponsored organizations. A movement is now in progress along the following lines :-

- 1) To launch an anti-American campaign and to intensify anti-American propaganda.
- 2) To gather information on the various billets of the American Defence Force re particulars of armaments, etc.
- 3) To report to the Japanese Military Special Service Section the usual haunts of amusement of the local American marines, so as to enable the Japanese Military Special Service agents to create an incident as a retaliatory measure.

Referring to the report dated July 7, 1940 Wang Ming Sing (汪銘新), Chief of the Hongkew Branch of the Great People's Society, proceeded to Hanking

At 12 noon July 6, some 10 staff members of the Hongkew Branch of the Great People's Society were urgently called to a meeting in the office of the Society at 427 East Seward Road when Waung Ming Sing (汪銘新), Chief of the Hongkew Branch, presided. He informed the attendance that instructions had been received from the Head Office of the Great People's Society in Nanking in which the various branches of the society were ordered to do their best in carrying out an anti-British propaganda campaign on July 7, the anniversary of the Lukouchiao Incident. A discussion then took place and it was decided that because of the short notice given no preparations could be made and also as no funds had been received or issued for the carrying out of the campaign, nothing could be done on July 7.

It is also learned that the Head Office of the Great People's Society plans to conduct in the very near future an anti-British and anti-American propaganda campaign on a large scale.

Subject: Officials of the Reformed Government not allowed to
join political parties

Made by and Forwarded by Supt. Tan Shao-liang

I have been unable to obtain a copy of the order referred to in attached report. It is likely that verbal instructions may have been issued.

Tracing back to the orders of the Reformed Government, the only instructions referring to the prohibition of Government employees from joining any political party appear to be the order mentioned in Government Gazette No.20 of August 29, 1939.

It reads as follows :

"At the 41st meeting held by the Political Affairs Committee of the Reformed Government of the Chinese Republic on August 23, the following resolution was discussed and passed :-

"Government officials should always carry out their duties in strict accordance with the regulations governing their services. They are not allowed to deviate from these regulations. Ever since the Kuomintang came into power it has plundered the people and brought extreme distress upon the country because of its despotism so much so that the country is now on the verge of its annihilation. This should be a warning to us.

"The object of the Reformed Government of the Chinese Republic is to work for national salvation and peace. Until the formal inauguration of a proper and legitimate political party no officials of this Government will be allowed to join any party. Violation of this decision will

Subject: Great People Society - organization as re-structured by

"Reformed Government."

Made by P.I. Pan Hien-pil,

The "Reformed Government" is endeavouring to enlarge and strengthen the organization of the Great People Society, and has appointed the following officials to important posts in the Society:-

Name and Office of Ref. Govt. official	Position in Great People Society
Liang Hung-tse (梁鴻志), President of Executive Yuan	Director-General.
Wen Chung-yao (溫宗堯), President of Legislative Yuan	Deputy Director-General.
Chen Chun (陳群), Minister of Interior	Chairman.
Chu Ta-chwang (朱大璋), Member of Legislative Yuan	Chief of the Headquarters, Hanking.

The "Reformed Government" has also issued an order instructing its employees to join the Great People Society and forbids participation in any other organizations.

The motive of this order and the proposed development of the Great People Society would appear to be a measure preventing "Reformed Government" employees from joining the Wang Ching Wei clique thus attempting to obstruct the influence of the "New Kuomintang" which the Wang clique is attempting to organize.

Subject The Asia Rehabilitation Society - now known as Dah Ming Society (大民會)

Made by D. I. Kuh Pao-hwa

Forwarded by C. Grawley W.

The Asia Rehabilitation Society (*興亞會* Shing Yah Society) operated from an office in New Asia Hotel, Tiendong Road, the inauguration of the preparatory committee taking place on 22nd March 1935.

This Society first came to the notice of the Municipal Police in the middle of March 1938 when literature of an anti-Kuomintang and anti-Communist nature, came into our possession, the literature purporting to have emanated from the preparatory committee of this society. Other literature from the same source advocating the cultivation of friendship between the Japanese and Chinese people were also obtained.

With a view to organizing the Society on the lines of the Hsin Ming Hui of North China, it was proposed in April 1938 that the name be changed to that of the Shing Ya Tang (興亞堂) and one Wong Tsz-wei (王子惠) was put forward as head of the society, but for some unknown reason, those plans never took concrete shape.

Towards the end of June 1938 the name of the society was officially changed to the Dah Ming Society (大民會), but the administrative personnel remained the same. According to reports received this step was taken because of the nativity and unsavoury name the Asia Rehabilitation Society gained prevalent through corruption amongst its members.

The activities of the society following this procedure were insignificant, but two issues of a monthly magazine entitled the "New China" (新中國), which is definitely anti-Government and pro-Japanese in tone, appeared in July and August of this year and were published by the Publicity

Department of the Dah Ming Society, with offices at Lane 426/16 Great Western Road O.O.L. The curtailment of the activities of this Society may also be attributable to the arrests of prominent members by the Municipal Police.

No confirmation can be had at present regarding the removal of their headquarters to Mr. Sun Wo's house at 22 Columbia Road which was commandeered by the Japanese Special Service Section, but according to the latest information obtained, the Dah Ming Society is being reorganized and the office in Shanghai will only be a branch, while the headquarters are to be removed to Nanking. Branch officers have also been established at Hangchow, Soochow, Wukiang, Changshu, Quinsan, Wusieh, Kiangyin, Ishing and Changchow. Efforts are being made to persuade Wen Chun-yao (温宗尧) to take over the post of Chairman at Nanking.

Information from a secret but usually reliable source is to the effect that Wong Tsai-shing (王善香) who is chairman of the Society is only a figure head, this person was appointed to succeed Zang Moo-chang (尚慕姜) who was removed from office for inefficiency, and that the person actually controlling the society is Col Wei Ting-yung (魏廷荣) a member of the French Municipal ^{Council} Commission and a senior officer of the French Volunteers.

THE TRUTH ABOUT THE ITALO-GERMAN-JAPANESE ALLIANCE EXPOSED

When the Italo-German-Japanese Pact was signed,
it was generally regarded as a plan of Germany to utilize
Japan to harass the United States. Hitler had great
hopes that Japan would intensify her southward advance
so that collisions will break out between Japan on one
side and the United States and Britain on the other, for
such collisions would have embroiled England and Hitler's
attack on Britain would be facilitated. This was what
Hitler had desired the most, for in that event the United
States would have to concentrate her strength to deal
with Japan and her assistance to Britain would have to
be reduced. Hence, the press view throughout the world
is that Germany was the promoter of the Italo-German-
Japanese alliance; that Germany would benefit from the
alliance in the future; that Japan would be aided and
would also pay the greater price.

Now, facts have shown the above to be
entirely true. Germany has formed an alliance with
Japan solely to encourage Japan to create trouble in
the Far East so that Germany can take advantage of the

FRENCH TRAMWAY LABOUR DISPUTE SATISFACTORILY SETTLED

The labour dispute in the French Tramway Company has lasted almost a month. Negotiations have been going on between the two sides under the mediation of the Political Branch of the French Police. At 5 p.m. yesterday, further negotiations were held at the company's office on Avenue Dubail with the result that a satisfactory settlement was eventually reached. An agreement will be signed at 2 p.m. to-day. The tram and bus services in the French Concession will be restored to-morrow.

Upon being notified by the Political Branch of the French Police, the representatives of the workers and the company attended further negotiations at the French Tramway Company at 5 p.m. yesterday. Representatives of the workers present were Zeh Chuen-foh (葛 春 福) and Chang Foh-pao (張 福 保) of the Mechanical Department and Pan Leh-chi (潘 立 奇) and five others of the Traffic Department. Chief of the Political Branch of the French Police and Inspector Shih Keng-sun (施 敬 孫) were also present. Representatives of the French Tramway Company were the general manager and a compressor named Doi (杜). The negotiations lasted one and a half hours and the strike was settled. An agreement will be signed at 2 p.m. to-day.

The points considered during the negotiations yesterday were (1) the reinstatement of the 45 workers who were dismissed prior to the strike, and (2) increase of wages.

With regard to the first question, the company promised to reinstate 30 of the men, instead of 26 as formerly promised; the rest will be reinstated later. As for the second question, the company promised to grant an increase of \$6 in the monthly allowance.

To-day the company will send out men to inspect the tram tracks and wires and repair vehicles. The strikers will resume work to-morrow.

Central China Daily News, Bing Pao, Kuo Min Daily News :-

The views of the two sides were brought closer on October 20 after direct negotiations were held under the mediation of the Political Branch of the French Police and the Nanking People's Movement authorities. During the negotiations on October 20 the company promised to reinstate 30 of the 45 workers dismissed by the company for organizing a labour union, whilst the rest were to be reinstated later, but the workers insisted that all the 45 dismissed men be reinstated.

At 9 a.m. yesterday, further negotiations were held at the company. Both sides were willing to make concessions over the question of the reinstatement of the dismissed workers. Hence, all conditions were eventually settled. The negotiations lasted until 6 p.m. The agreement will be published after it has been signed to-day. It is expected that the strikers will resume work to-morrow.
